MEMORANDUM FOR: Executive Assistant to DD/S

SUBJECT : Amendment to Revision of Regulation [REDACTED]  
Training at Non-Government Facilities under  
the Government Employees Training Act

25X1A

REFERENCE : Job No. 1213-4-SG, dtd 7 May 1959

25X1A

1. Some months ago, in the preliminary development of our revision to Regulation [REDACTED] we were informed that the Office of the Comptroller was preparing a companion regulation on (1) travel and allowable payments under the Government Employees Training Act, and (2) outside contributions, awards, or payments offered to defray costs of training at non-Government facilities. We have now reviewed the Comptroller's initial draft and believe that, for clarity and completeness, a succinct statement of the latter point should be added to our own regulation.

25X1A

2. Accordingly, I wish to recommend that paragraph 3 of the referenced revision of Regulation [REDACTED] now in process of coordination, be amended to include the following as sub-paragraph g(4):

Be responsible for informing the Director of Training of any contribution, award, or payment, in cash or in kind, tendered by an outside source to cover expenses incident to training in a non-Government facility.

SIGNED

MATTHEW BAIRD  
Director of Training
